Challenge
Water Born Paint

Volume
14,000 CFM - 1.5 MBTU

Solution
Unicure Zapper 3007

Jones Auto Body
Salisbury, N.B.

Jones Auto Body is owned and operated by Darren Jones in Salisbury NB. In the fall of 2012 Darren had the misfortune of his shop burning down. It was a hard time for

his family and his business however he persevered and now has a beautiful new shop with a UniCure Paint Booth. Darren had an opportunity to rebuild his shop from the ground up and he wanted to make sure it was going to be top of the line. He chose to work with Atlantic air cleaning because he got a booth that was going to move his business forward.

The Zapper 3006 The spray booth construction and exhaust airflow velocities are designed to meet or exceed OSHA standards. This booth is constructed of 18 gauge galvanized sheet steel · The doors are built with two inch by two inch square tube frames for heavy duty service, and have a heavy lip for air seal. One 36" x 84" personal access door is standard.

Performance granted to comply with local and federal clean air regulations
